## Tales from Ariosto Ludovico Ariosto & Joseph Shield Nicholson

The object of the present venture is to do something to revive the interest of the ordinary English reader in Ariosto. The present volume is intended to give some of the chief stories of the "Orlando Furioso" in such a way as to bring out also the main plot. The "Orlando Furioso" is a conglomeration of stories of all kinds, from the most delicate and ideal romance to the broadest humor. (Summary taken from the author's introduction)
